Introduction as Back-End Student Intern

Abhay Kalal

Introduction as Back-End Student Intern

Dear Sir,

I hope you are doing well.

I am writing this email to introduce myself as the Back-End Development student who will be working with you.

My name is Abhay Kalal, and I'm currently learning Back-End development. I'm excited to work with you and looking forward to gaining hands-on experience.

kind regards,
Abhay kalal
Back-End Development Student
